Spring Lick, May 1, 1876. This day one week ago, Circuit honor Judge Stewart presiding. As is usually the case, a large crowd of but that said delegation ought to be attendance on the first day. Among will vote for a man for president whose the distinguished visitors from neigh- past life shall be a guaranty that he boring towns present at the opening of court, were Judges Gregory of to with the most profound attention, and every body seemed to congratulate themselves on the thought of having the pleasure of voting at the August election for men so eminently qualified to fill the position to which they aspire. At this writing one week of court has passed. The grand jury reported last Saturday afternoon thirteen indictments. It is still in session, and from the best information we can obtain a good many more will be reported before the same will adjourn. The Commonwealth cases are being disposed of with wonderful dispatch. The case of the Commonwealth against Smithers and Higden for manufacturing and selling a medical compound came up for trial last Thursday, and the jury, after a brief consultation, returned a verdict making the defendants guilty of keeping a

tippling house. The erop prospects in this county are not as good as the farmers, would be sold, to pay off a part of its indebtedwish. It is generally believed that ness.
